

Hey Dads! Want to show your kids a bit of Community Service?

Hey Kids! Think you can sort more can food than you dad?

The Annual **Federation Community Day** is held each November a few weeks before Thanksgiving. Join us at Mission Arlington to help sort Thanksgiving food for families within our own community. Last year, Mission Arlington provided Thanksgiving meals to 25,000 people. Jim Burgin (son of Mission Arlington founder Tillie Burgin) says, “[This day] truly has become one of my favorite days of the year.”

Join our Federation in making our donations a significant part of the meals that Mission Arlington hands out.

Mission Arlington is located at **210 W South St** in downtown Arlington. We will be setting up our sorting area in one of the parking lots to the west of the main building. If you can't make it the whole time, come and spend a couple of hours. This is an event well worth your energy.

We will see you there!
